State import requirements listed by state:

<https://www.aphis.usda.gov/aphis/ourfocus/animalhealth/animal-and-animal-product-import-information/entry-requirements/us-state-and-territory-animal-import-regulations>

Here are some Electronic CVI Options: [https://agr.wa.gov/departments/animals-livestock-and-pets/animal-disease-traceability-\(adt\)/electronic-certificates-of-veterinarian-inspection](https://agr.wa.gov/departments/animals-livestock-and-pets/animal-disease-traceability-(adt)/electronic-certificates-of-veterinarian-inspection)

Washington State:

The Washington State Department of Agriculture (WSDA) will no longer accept the APHIS Form 7001

WSDA will accept the following;

- APHIS Form 7001 Multi-Page Carbon Copy assigned a unique certificate number by the USDA
- Global Vet Link <https://www.globalvetlink.com/>
- mCVI AgConnect through Texas A&M <https://cvi.tamu.edu/saho/>
- Small Animal Health Certificate generated on a software program that assigns a unique number to the certificate and includes all animal information, vaccination status, testing information when required and the veterinarians signature and accreditation number.
- All of these alternatives require an accredited veterinarian to submit the form.

Colorado:

1. <https://ag.colorado.gov/animals/import-requirements>
2. **Certificate of Veterinary Inspection (CVI)** Dogs and cats imported into [PACFA Licensed Facilities](#) are required to have a CVI within 10 days of entry and issued by an accredited veterinarian and stating that the dogs/cats are free from exposure to [rabies](#).
3. **Rabies vaccination** current, for all dogs greater than 3 months of age
4. The VS Form 7001 is NOT accepted as a CVI for interstate travel to Colorado for any small animals.

Montana:

Import requirements: <https://liv.mt.gov/Animal-Health/Import-Requirements/index>

The following import requirements apply to small animals imported to Montana for rescue purposes, such as to humane societies or private rescue groups:

Montana requires an import permit and health certificate for entry of animals shipped into the state per Administrative Rule (ARM) 32.3.202.

Health Certificate requirements:

- The federal VS 7001 form is NOT an approved form of health certificate for shipment to Montana.
- Animals must be individually described with their current rabies vaccination status indicated on the certificate.
- The address of the animals origin must be indicated on the certificate.
- The Montana destination of the animals must be indicated on the certificate.

Permit Requirements:

- Fax or email the completed health certificate to the Helena, Montana office to request an import permit.
 - Fax 406-444-1929 or email livpermits@mt.gov.
- Provide a return call telephone number or email address for the permit number.
- Health certificates issued using Global Vet Link or Agview electronic certificate systems do NOT require a permit number.
- If you have any questions or concerns about these requirements, please call 406-444-2976.
