### About Us

Founded in 2012, Dog Is My CoPilot is dedicated to transporting at-risk animals from overcrowded shelters to adoption centers in geographic regions where loving families are ready and waiting. Our operations are powered by volunteer and staff pilots and supported by a passionate community.

- **Lifesaving Impact:** Each year, we fly approximately 6,000 dogs and cats to adoption centers that help them find new homes. Since our inception, we have transported over 37,000 pets.
  - **Our Commitment:** We focus on assisting underserved, overpopulated shelters that are often overlooked and provide these animals with a brighter future.
  - **The Need:** Over 1 million animals are euthanized annually in the U.S., increasing the demand for lifesaving transportation services.
  - **Our Fleet:** To meet this need, we operate three Cessna Grand Caravans, each capable of accommodating an average of 75 animals per flight. Our rescue flights are conducted by a team of volunteer and paid pilots.
  - **Collaboration:** We work with over 200 city shelters and animal welfare organizations nationwide to coordinate transports.
  - **Funding:** Our operations are entirely dependent on donors and sponsors, as we do not receive state or federal funding. Every donated dollar directly supports our mission to save lives.
- 

### How You Can Help

- **Volunteer:** Volunteer with your local animal shelter.
- **Donate:** Your contributions ensure we can continue providing transportation at no cost to our partners.
- **Sponsor:** Partner with us to expand our capacity and reach more animals in need.
